Tucked away along the charming and highly regarded Post Office Lane in the picturesque village of Little Totham, this beautifully maintained three-bedroom detached bungalow offers an exceptional opportunity to enjoy spacious single-storey living in a peaceful countryside setting. Combining generous accommodation, thoughtful upgrades and a wonderfully private south-facing garden, this is a home perfectly suited to buyers looking for comfort, practicality and a slower pace of life — without sacrificing convenience.

From the moment you arrive, the property immediately creates a sense of space and privacy. The generous driveway provides ample off-road parking, while the attractive frontage and quiet village surroundings give the home an instantly welcoming feel. Inside, the bungalow has been carefully maintained and upgraded over the years, offering bright, versatile accommodation ready to move straight into.

The spacious main lounge measures an impressive 17'7 x 11'6 and provides an ideal setting for relaxing evenings, family gatherings or simply enjoying the natural light that flows throughout the property. It's the kind of room that easily adapts to modern living — equally suited to cosy winter nights or entertaining friends and family. A separate dining room adds further flexibility and creates an excellent space for more formal dining or weekend hosting duties that start with "just one coffee" and somehow end several hours later.

The kitchen has been thoughtfully updated and features a recently installed oven and grill, ensuring both style and practicality for day-to-day living. Positioned conveniently within the home, it offers excellent functionality while still feeling connected to the surrounding living spaces.

All three bedrooms are well-proportioned, with one benefitting from built-in wardrobes for additional storage. Brand new carpets throughout the property add a fresh and contemporary feel, giving the entire bungalow a clean, move-in-ready finish that buyers will instantly appreciate.

A particularly valuable addition is the separate study, ideal for those working from home, pursuing hobbies or simply needing that increasingly important extra room away from the main living areas. Whether used as a home office, reading room or creative space, it adds another layer of versatility to an already well-balanced layout.

Externally, the property continues to impress. The south-facing rear garden is a genuine highlight — beautifully private, wonderfully established and not overlooked, creating the perfect environment for outdoor dining, gardening or simply enjoying the sunshine in peace. The generous plot offers plenty of outdoor space without feeling overwhelming to maintain, striking an excellent balance between practicality and lifestyle appeal.

The substantial garage measures approximately 23'4 x 7'4 and benefits from full electrics alongside an electric garage door, making it ideal not only for parking and storage but also for use as a workshop, hobby space or additional utility area. For buyers needing practical storage solutions, this space is a major advantage.

The property also benefits from oil-fired central heating, cavity wall insulation and windows and doors installed in 2020, helping to improve both comfort and energy efficiency. In addition, the flat roof over the extension comes complete with a lifetime guarantee, offering valuable long-term peace of mind for future owners.

Situated within the sought-after village of Little Totham, the property enjoys the best of semi-rural living while remaining conveniently positioned for access to nearby towns including Maldon and Tiptree. Surrounded by Essex countryside, local pubs, village amenities and scenic walking routes, this location offers a lifestyle that feels peaceful, connected and increasingly difficult to find — the kind of setting that makes slowing down feel very easy indeed.
