Description

Rarely do opportunities like the sale of Holly House Farm come to the market.

This opportunity represents a the perfect one for those looking for multigenerational living each offering separate private living accommodation and entertaining space with breathtaking views. Darley is a popular lower Nidderdale village that offers a primary school, bus route, cricket club, village shop/post office and a popular public house with excellent food which is only a short walk away. Harrogate is a 15 minute drive away whether there are a good range of shops, bars, restaurants and schooling opportunities.

Closer to the village there is a medical practice at Dacre were there is also a village shop and public house. A short drive away there are a pleasant walk which can be enjoyed around Swinsty and Fewston Reservoir.

Holly House Farm offers a traditional farmhouse that requires updating and modernisation. It briefly comprises an entrance porch, hallway, sitting room, lounge and dining kitchen. There is a rear porch and toilet. At first floor, there are three double bedrooms and a house bathroom.

Additionally there is a useful storage loft with pitched roof that could create additional living space. Currently, there are three 2 bedroom Cottages that are nicely tucked away from the main family house creating privacy for both guests and the owner of Holly House Farm.

Planning permission has been granted to change the three Cottages into one dwelling. The cottages offer double glazed windows, electric heating and will be sold with the furniture that creates a valuable income from Airbnb. The three cottages known as Curlew, Kestrel and Wren have their own garden space with sitting areas with views that are far reaching over Nidderdale countryside.

Holly House Farm features a good range of utility buildings that were previously used for car servicing and manufacture. The sizeable space includes ; A reception area 19'9 x 12'3. A wooden garage 33'9 x 17'3, and an office 17'3 x 12' 3. There is a former spray paint/store 24'0 x 12'6 plus an inner workshop 32' x 12 and a further workshop 50' x 24'. Finally there is an impressive garage/workshop store 75' x 25'.

If this area were to be knocked down, it would create a large garden/courtyard space for a barn that has planning permission already approved. The Barn offers stunning views up towards Thornthwaite with a south to west orientation. The Barn over two floors measures c2500 ft.² of additional living space in a stone dwelling that compliments the overall development opportunity of this exciting scheme.

Further details can be found on line at NYCC Planning approved 10/05/25. Planning Application: ZC25/00991/FUL Proposed demolition of workshop and associated building and erection of 1 no. dwelling, conversion and extension of existing barn to form 1 no. dwelling, change of use of holiday accommodation to form 1 no. dwelling; extensions and alterations to the exist
