

Canalside, Redhill

£1,800 Per Month

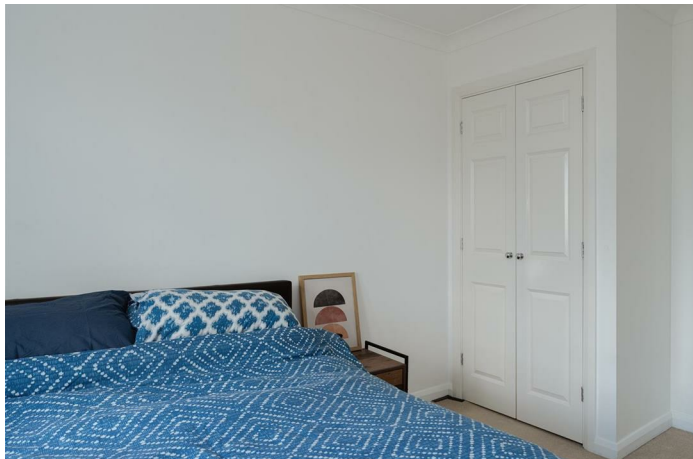

“

Fully furnished, two proper double bedrooms, allocated parking and a wraparound balcony that genuinely adds another dimension to the apartment – This flat offers an unusually complete package for apartment living in Redhill.

”

Set on the second floor of the popular Canalside development, the apartment offers approximately 664 sq ft of internal space, with a layout that feels comfortably proportioned throughout.

The living and dining room is the heart of the apartment, stretching to over 19ft and already furnished with defined areas for relaxing and dining. Large windows bring plenty of daylight into the room, while direct access onto the wraparound balcony gives the apartment a considerable amount of private outside space. There is room for outdoor seating and a table, making it somewhere you can actually use rather than simply step out onto.

Sitting separately from the main living area is the fitted kitchen, with a practical arrangement of cupboards, work surfaces and appliances.

There are two genuine double bedrooms, both furnished and comfortably sized. The larger bedroom measures approximately 14'10" in length, while the second measures around 12'6", giving tenants flexibility for two full bedrooms or the option of creating a dedicated work-from-home space.

A bathroom with a shower over the bath completes the accommodation.

Another useful addition is the allocated parking space, while the development also provides plenty of visitor parking, taking some of the hassle out of having friends or family over.

Canalside puts you within convenient reach of Redhill town centre, with its shops, cafés, restaurants and everyday amenities nearby. Redhill railway station is also easily accessible, providing useful connections towards London, Gatwick and the surrounding Surrey area.

For tenants wanting the convenience of a furnished apartment without compromising on space, outside space or parking, this one delivers particularly well.
