Set in a peaceful rural location surrounded by open countryside, this charming detached stone cottage enjoys distant sea views and complete privacy with no immediate neighbours. Brimming with character, the property features a cosy living room with a wood-burning stove and a spacious kitchen/dining room with a traditional Rayburn providing warmth and hot water. The cottage benefits from solid fuel-fired central heating, uPVC double glazing and a wealth of original character throughout. Set within approximately 0.4 acres of well-maintained gardens, the grounds include raised vegetable beds, a greenhouse, useful outbuildings, a carport and kennels, making it ideal for those seeking a country lifestyle. A rare opportunity to acquire a characterful home in a stunning rural setting, perfect as a permanent residence or peaceful retreat.

Location

An ideal location for those purchasers looking for peace and seclusion, being accessed by a right of way through an adjoining landowner's fields in a "no near neighbours" position having a far reaching outlook over pretty countryside and with distant sea views. One of the seller's favourite aspects of the location is the stunning sunsets enjoyed from the property. The property is located in the rural community of Bethania and is convenient to the destination harbour town of Aberaeron to the west which is renowned for its popular restaurants, shops and pretty harbour. The property is also convenient to the larger town of Lampeter to the south, and the retail and administrative centre of Aberystwyth to the north; providing a range of employment opportunities from the University, Hospital and railway station along with a good range of shops e.g. M&S, Tesco, Lidl, Next etc.
