Castles

PROPERTY SUMMARY

Castles are pleased to offer this well-presented one-bedroom apartment, set on the second floor and available on a chain-free basis, measuring 566 sqft, in the heart of Fish Island. Surrounded by the area's creative energy and distinctive waterside character, the home offers a bright and well-balanced layout ideal for first-time buyers.

The open-plan kitchen, living and dining area is generously proportioned, with streamlined cabinetry and integrated appliances allowing the space to feel uncluttered and sociable. Wide glazed doors maximise natural light and open onto a south-west facing private balcony, perfect for evening sun and a seamless extension of the living space.

The bedroom is a comfortable double with built-in wardrobes providing excellent storage, while the bathroom is finished with large-format tiling and warm wood-fronted cabinetry, creating a clean yet inviting feel. Additional hallway storage enhances everyday practicality.

Residents also benefit from a well-maintained communal courtyard, adding greenery and an extra outdoor setting within the development. The building itself presents a smart, modern exterior with secure entry and lift access.

Positioned close to the canal and within easy reach of local favourites including Tuck Shop, INIS, Howling Hops Brewery and Tank and Barge East, the area blends independent dining and a strong sense of community. Expansive green spaces at Queen Elizabeth Olympic Park and Victoria Park are both nearby. Transport links are excellent, with Hackney Wick Station providing Overground connections across East London and direct routes to Stratford, Shoreditch, and Whitechapel. Pudding Mill Lane DLR offers direct access towards Canary Wharf and the City, while nearby bus routes connect to central London and surrounding neighbourhoods. For cyclists, The Greenway provides a traffic-free route across East London.

Smeed Road, London, E3

Approximate Gross Internal Area = 566 sq ft / 52.6 sq m

PINK PLAN

Floor plan produced in accordance with RICS Property Measurement 2nd Edition.
