The Property

A spacious and well-proportioned two-bedroom semi-detached character home with large mature rear gardens backing onto open fields. Currently the property would benefit from a updating and modernisation but would make a great first timer buyers home or that next step on the property ladder.

The accommodation offers a practical layout with an entrance hall, living room, separate dining room that is open to a spacious fitted kitchen on the ground floor. Upstairs are two generous double bedrooms and a bathroom with shower over the bath. The property also benefits from oil-fired central heating and UPVC double glazing throughout.

To the front is a small enclosed courtyard, with a shared pathway leading to the rear. The sizeable gardens are positioned slightly offset to one side and include extensive lawned areas, mature shrubs and planting, with open fields adjoining the rear boundary.

Stenalees is a popular village approximately three miles north of St Austell. The village has a primary school, while a convenience store and public house are both within easy reach of the property. The A30 is also within close proximity, making it the perfect location for those seeking easy access throughout Cornwall.
