Description: Sowdens Orchard is an impressive, detached house situated on the edge of Udimore village with stunning views looking over both the Brede Valley and Tillingham Valleys and beyond. The property we understand was originally built in 1971 and is of brick construction with UPVC double glazed windows all beneath a pitched tiled roof. The property is approached from Udimore Road via a concrete driveway that runs alongside Udimore Road passing a former Nissen Hut and then enters into the front garden via a five bar gate leading to a generous parking area in front of an attached double garage. A paved path leads from the parking area to a canopied porch and central front door that opens into a light entrance hallway. Accessed from the hall is an impressive 26ft drawing room with large double aspect window including French doors leading out to the garden and benefiting from a central stone facia chimney with Jet Master fireplace.

Next to this is a dining room with rear facing window looking over the garden, serving hatch through to the kitchen and connecting door through to a generous study room with double aspect windows and glazed door out to the garden. A ground floor cloakroom /WC is also accessed off the entrance hall along with access to a large kitchen / breakfast room with modern lime oaked shaker units, with laminate worktops, composite black sink and drainer, gas hob with extractor hood above, electric oven, space and plumbing for a dishwasher and fridge / freezer. An oil fired Rayburn range cooker is situated at the end of the kitchen which also heats the hot water and central heating within the property. Accessed off the kitchen is a sitting room / playroom / craft room with large south facing window and also accessed from the kitchen is a utility room with further base units with stainless steel sink and drainer and space and plumbing for a washing machine and tumble dryer. A large covered glazed lobby is accessed from the utility room off which is a former boiler room/ storeroom, front and rear access doors and connecting door leading into the attached double garage with small workshop room at the rear.

Stairs lead from the entrance hall up to a large first floor landing with south facing window and access door leading onto a balcony that enjoys views looking over the Brede Valley. Accessed from the landing is a principal bedroom with south facing window, connecting dressing room with built in wardrobe and ensuite bathroom with panel bath, pedestal washbasin, and close coupled WC. A second double bedroom enjoys south facing window with built in wardrobes and ensuite shower room/WC. A further three double bedrooms enjoy rear facing windows looking out over the garden and Tillingham Valley beyond all with built in wardrobes and at the end of the landing is a family bathroom with panel bath, pedestal washbasin and close coupled WC.

Externally the property benefits from a generous level wrap around garden (0.74 acres / 0.3 ha) laid to lawn interspersed with a variety of shrubs and flower beds. At the front of the garden bordering the road is a spring fed pond, while on the west side of the house is an entertaining paved seating area and children's Wendy House and at the rear of the property at the eastern end of the garden is a vegetable patch and timber frame greenhouse.

Beyond the fence of the garden is an adjoining pasture field (4.65 acres / 1.88 ha) which is accessed from the shared road access to the property. A concrete panel store shed / former stable is located within the field and next to the field is a corrugated Nissen Hut offering further storage with possibility for possible conversion subject to necessary planning consents.
