Denise White Estate Agents Comments

"A brand-new home. A blank canvas. Your style, your way"

There is something rather special about being the first person to call a house home. This individually designed two-bedroom property forms part of an exclusive development of just seven stylish homes, with the majority already sold and only a limited number remaining.

Finished and ready to move straight into, all the hard work has been done, simply bring your furniture, unpack and start enjoying your new home.

Fresh, bright and contemporary throughout, the neutral finish gives you the freedom to make the interior completely your own. Keep things calm and understated, or get the paintbrushes and interior magazines out and start introducing colour, texture and personality. This is a home ready for its next owner to put their own stamp on it.

At the heart of the property is a generously sized, fully fitted modern kitchen, ready for everything from a quick morning coffee to cooking for friends and family. A useful ground-floor cloakroom adds everyday practicality, while the spacious split-level lounge provides a wonderful place to relax and unwind. Doors open directly onto the enclosed rear garden, allowing you to extend your living space outdoors during the warmer months, while in winter it becomes a cosy retreat to come home to.

Upstairs are two good-sized double bedrooms, giving plenty of flexibility for a couple, young family, downsizer or anyone wanting that all-important guest room or home office, together with a smart, fitted contemporary bathroom.

Outside, the private enclosed garden is ready to be enjoyed and personalised, create a stylish seating area for summer evenings, add pots and planting, or simply keep things easy and low maintenance.

Off-road parking and an electric vehicle charging

point add further convenience, while solar panels and modern energy-efficient construction have been incorporated with contemporary living and running costs in mind.

This is an ideal opportunity for someone who wants the ease of a brand-new home without months of renovation. No ripping out kitchens, no replacing bathrooms and no waiting for builders – just the enjoyable part of choosing your furniture, adding your colours and creating a home that feels completely yours.

With only seven homes within this thoughtfully planned development and the majority already sold, opportunities are becoming limited.

Finished. Ready. Waiting for you to make it home.
