This flexible arrangement allows the rooms to be used independently or opened together to create an excellent flow throughout the ground floor. The family room enjoys a pleasant aspect over the rear garden and forms a versatile additional public room, equally suited as a sitting room, playroom, or home office. From here, access is gained to the dining room at the rear of the property, creating an ideal setting for family meals and social gatherings, with ample space for a large dining table and chairs. The fitted kitchen is conveniently positioned adjacent to the dining room and is well equipped with a good range of wall and base units, complementary work surfaces, and space for appliances, providing a practical and functional workspace. A contemporary shower room, fitted with modern sanitary ware, completes the ground floor accommodation. Upstairs, the landing provides access to three well-proportioned bedrooms, the family bathroom, and the attic. The principal bedroom is particularly spacious and benefits from pleasant open views, creating a peaceful retreat. The two further bedrooms offer excellent flexibility for growing families, guest accommodation, or home working, and are served by a smart family bathroom fitted with a modern three-piece suite.
