DIRECTIONS

The property is most easily located by leaving our office in Painswick along Victoria Street towards the centre of the village. After a small distance and shortly after passing George Court on your left, the property will be found on the left.

LOCATION

The 'Queen of the Cotswolds', Painswick arguably has more fine period buildings within a defined area, than anywhere else in the Cotswolds. A friendly and welcoming community, almost all the facilities of the village are within walking distance of Wayside and there are numerous sport and social clubs as well as a challenging 18 hole golf course and beautiful gardens to visit. Jealously guarding its reputation as a village community, Painswick, has the feel of a small country town with its magnificent church at the centre and good local services. Strategically situated south of Gloucester and Cheltenham and west of Cirencester, the village is in an official area of natural beauty, within the fold of the Cotswold hills, with spectacular views in all directions. The Painswick, the village's highly acclaimed hotel/restaurant, is a stone's throw away (among other places to eat out - 2 good village pubs both serving food), the village is within reach of a number of good schools in the public and private sectors and has its own thriving primary school. London is circa 2 hours by road or about 95 minutes by rail from nearby Stroud Station and there is good access to the M5 motorway - Junction 11a - Cheltenham.
