This two-bed end-terraced home has been considerably enhanced and beautifully maintained by the current owners, creating a property that feels immediately welcoming. Positioned in the corner of the cul-de-sac, it enjoys a secluded and leafy setting with very little passing traffic, giving it a calm and private feel.

Inside, the kitchen overlooks the front aspect and offers a modern, practical space for day-to-day cooking. To the rear, the lounge provides a comfortable area for relaxing and naturally flows into the conservatory, which acts as an excellent extension of the living space. From here, double doors open out to the well-proportioned and sunny garden—ideal for outdoor dining, children’s play, or simply enjoying the quiet surroundings. The property also benefits from a new boiler.

Upstairs, the property offers two genuine double bedrooms, both with good natural light and space for wardrobes. The modern family bathroom completes the first floor and has been updated to a contemporary standard.

Externally, the home benefits from a garage with a useful store to the rear, providing additional storage or hobby space. There is also parking at the front of the property, adding to its convenience. The vendor is suited, and internal viewing is highly recommended to appreciate the setting and presentation.
