The property provides approximately 1,003 sq ft of internal living space, including two bedrooms, a shower room, kitchen, utility room, dining room and two further reception rooms. The flexible layout offers excellent scope for buyers to adapt the accommodation to suit their needs, while also presenting an opportunity for modernisation and personalisation.

Outside is a particular highlight. The substantial garden offers an impressive amount of space, with mature trees and established boundary planting creating a pleasant sense of privacy. Please bear in mind that the property is Timber Rough Sawn.

Location

St Lawrence is a waterside village on The Dengie Peninsula with its own stretch of beach known as St Lawrence Bay. The village is protected from flooding by the sea wall which was reinforced in the 90's and provides a footpath along the riverbank. The village is popular for its water sports with the sailing club situated on the River Blackwater and also benefits from a shop which includes a post office, two public houses and a restaurant. The village is conveniently within 5 miles of Southminster, which has a train station and further amenities.
