6 Bury Farm Road, Whiteley, Fareham, PO15 7PU

£375,000 Freehold

Built by Crest Nicholson in 2022 and positioned within the sought-after Curbridge Meadows development, this beautifully presented three-bedroom semi-detached home offers stylish modern living with a notably larger rear garden than typically found on homes of this age.

The property enjoys one of the more favourable layouts within the development, with a stunning upgraded kitchen/diner positioned at the front of the house. The kitchen features sleek quartz work surfaces complemented by contemporary navy units, creating a stylish and practical space.

To the rear, spanning the full width of the property, is a spacious lounge with doors opening directly onto the rear garden, allowing for plenty of natural light and excellent connection to the outdoor space. The garden itself is a true blank canvas, featuring a patio seating area with the majority laid to lawn, offering excellent potential for landscaping and family enjoyment.

The ground floor is completed by a welcoming entrance hallway and a convenient downstairs cloakroom.

Upstairs, the property offers three well-proportioned bedrooms, including a principal bedroom with fitted wardrobes and an en-suite shower room, alongside a modern family bathroom serving the remaining bedrooms.

Externally, there is a driveway providing off-road parking for two vehicles arranged back-to-back, together with side access to the rear garden.

Curbridge Meadows is ideally positioned between the picturesque market village of Botley and the thriving shopping and leisure destination of Whiteley, offering an excellent balance of semi-rural living and modern convenience. Residents benefit from easy access to a wide range of shops, restaurants, bars and sports facilities, while Botley train station is approximately 1.5 miles away. The nearby M27 also provides excellent links to the M3 and surrounding areas.

Energy Efficiency Rating		
	Current	Potential
Very energy efficient - lower running costs		
(92 plus) A		
(81-91) B	87	88
(69-80) C		
(55-68) D		
(39-54) E		
(21-38) F		
(1-20) G		
Not energy efficient - higher running costs		
England & Wales	EU Directive 2002/91/EC
