Tree Hamlets

The layout of this property is unique and lends itself well toward entertaining thanks its open plan nature. The main floor has the kitchen and a 24ft lounge/dining room with large patio doors allowing lots of light into the space. Upstairs, there are two bedrooms and a modern shower room.

The terrace benefits from a southerly aspect, which means it's a great space to be enjoyed when the sun's out. Further benefits include gas central heating, a share of the freehold, ample eaves storage, UPVC double glazing and readily available parking. It's also worth noting that the property is pet friendly subject to an appropriate application being made.

In our opinion, internal viewing is a must in order to appreciate what's on offer. To arrange, or for more information, please call our Upton Office.
