17 Braybon Avenue Brighton BN1 8EA

Occupying an enviable position just off Surredean Road, this attractive three-bedroom detached family home offers well-proportioned accommodation, a generous west-facing rear garden and delightful far-reaching views across the surrounding area towards the South Downs.

This 1930's-built property is particularly well-suited to family living, with three good-sized bedrooms including one with en-suite facilities, together with open-plan reception and living space, kitchen/breakfast room and a useful ground floor WC. The accommodation is in 'ready to move in' condition and benefits from lots of natural light.

Outside, there is the benefit of off-road parking at the front plus a garage at the rear which could lend itself to a home office or studio (subject to usual consents). The level rear garden is approximately 80ft long and is west-facing providing an excellent private outdoor space which is child friendly and enjoys the afternoon and evening sun.

The property enjoys an elevated position and the outlook is a particular feature of the property, with panoramic views of the surrounding areas and the South Downs. The location is also well placed for families, being close to Withdean Park and within easy reach of highly regarded schools from primary to sixth form. Patcham itself provides a range of local amenities and excellent access to Brighton and the surrounding area. The property is also within walking distance of Preston Park Station with direct links to London.

There is also excellent potential for further enhancement (subject to usual consents) to convert the existing loft space and create an additional bedroom with en-suite. The property could be sold with NO ONWARD CHAIN.
