

3 Riverlight Quay London

This stunning contemporary apartment has just been completely refurbished and is located in the exclusive Riverlight development. It features two double bedrooms, two bathrooms, a bright and spacious living space with stunning river views and two private balconies. Residents benefit from a fantastic array of communal facilities, such as a swimming pool, gym, bar, lounge, business suite, virtual golf course and library to enjoy.

Riverlight has all the ingredients of the perfect London development, designed by the world-renowned architects Rogers Stirk Harbour & Partners. Set at the heart of the cluster of developments on the waterfront, the architects behind Riverlight have planned an oasis of landscaped communal gardens and open space within this development. Together with the excellent existing transport links from Vauxhall and Nine Elms Tube stations, Riverlight presents an opportunity to make the most of what London has to offer.
