Greenleas, 15 The Leas, Rustington, West Sussex BN16 3SE
£260,000

Greenleas offers more than just a comfortable home, with residents having use of a communal lounge and conservatory, complete with library and Wi-Fi, as well as attractive communal gardens. The presence of a house manager also provides an added level of support and reassurance. The development is well placed for everyday amenities, with Angmering railway station, Willow Green doctor's surgery, Sainsbury's and the shops at Station Parade all very close by. There are also nearby bus services providing access towards Rustington and along the coast.

Rustington is a popular seaside village offering a wide variety of shops, cafés, restaurants and local amenities, together with a lovely seafront and coastal walks. The village centre and seafront are approximately 1.5 miles from the property, with the South Downs nearby, while the nearby A259 provides easy access towards Worthing, Bognor Regis, Brighton and beyond.

With its generous accommodation, sunny private garden, resident's parking, garage and excellent communal facilities, this is an appealing retirement property in a well-established and conveniently positioned development. Littlehampton is also one of the 10 best places to retire in England, according to World Atlas (article August 2026). Viewing is highly advised to appreciate everything this property has to offer.

The spacious accommodation is arranged over two floors. On entering, the hallway leads through to a particularly generous lounge/dining room, providing plenty of room for both everyday living and entertaining. From here, doors open onto the private south-facing courtyard garden, creating a pleasant outdoor space that is well suited to sitting out and enjoying the sunshine. The kitchen is located off the hallway and is fitted with a range of units and appliances, including a dishwasher, while a ground floor cloakroom adds further practicality. The space allows plenty of room for a stair-lift if desired.

Upstairs, there are two good-sized double bedrooms. The master bedroom has the added benefit of a separate dressing room, which was originally designed as an en-suite shower room and retains a wash hand basin. A bathroom/WC completes the first-floor accommodation.

The property also benefits from gas central heating and double glazing. A private garage, situated en bloc and monitored by CCTV, provides useful secure parking and storage, with additional resident and visitor parking available within the development.

The maintenance fee for the property is £866.11 per quarter. This is for house insurance; maintenance of the communal gardens and areas, garage bloc, guttering, communal paths etc., window cleaning; health and safety requirements; fire safety systems; etc.
