A beautifully presented, five bedroom interior designed house with a passenger lift, integral garage and air-conditioning. Situated on the eastern terrace of this sought after Knightsbridge.

589 SQM

£22,500,000

OVERVIEW

A spectacularly appointed house, featuring the highest level of home automation, private amenities and interior design.

The property enjoys a truly unique outlook and position within this sought-after garden square, unusually benefiting from green views to both the front and rear.

The aspect is exceptionally rare in London, with a sunny, raised west-facing terrace situated between Brompton Oratory and Holy Trinity Church. The house has been meticulously refurbished and offers a unique proposition in terms of private accommodation and facilities.
