

Queenwood Property are seeing many clients finding London no longer fitting their life stage and curious about exploring a move to Surrey.

The main drivers behind a London to Surrey relocation are space, schools, greenery, safety and value.

Queenwood are London to Surrey relocation specialists who provide insights on latest migration trends, local information on the best Surrey hotspots and private invitations to view the latest stocklist of properties yet to hit the portals.

Every week, Queenwood take many instructions from motivated sellers of prime and super prime areas of Surrey who seek a more discreet and private approach to selling their home away from the portals, social media and noise.

These properties are prepared for sale and then discreetly introduced to profiled and match buyers, many of whom live in properties and areas where the pull to Surrey is the strongest.

Visit our website to view Queenwood's latest collection of properties yet to reach the portals and our London to Surrey relocation guide which includes the hottest 5 Surrey villages Londoners are choosing in 2026.
