## Situation

KINGS SUTTON is a popular village situated on the Oxfordshire/Northants borders. It has extremely good transport connections with easy access to the M40 motorway at Junction 10, Ardley (approximately 8 miles), and Junction 11, Banbury (approximately 5 miles). The village railway station has services to London (Paddington and Marylebone approximately 1 hour), Oxford (approximately 25 minutes) and Birmingham (approximately 45 minutes). The village is well served by local amenities, including a general store, post office, primary school, two public houses and a fine 13th century church with a renowned 190' spire. The nearby market town of Banbury has more extensive shopping facilities, and Oxford offers a wide range of cultural pursuits.

A floorplan has been prepared to show the dimensions and layout of the property as detailed below. Some of the main features are as follows:

- \* A detached stone built chalet bungalow located in a tucked away no through road on the outskirts of this sought after village lying on the Northamptonshire/Oxfordshire borders.
- \* Backing onto fields with a southerly aspect.
- \* Spacious accommodation which requires updating.
- \* Hall with storage and ground floor cloakroom housing a coloured suite.
- \* Living room with stone open grate fireplace, windows to front and side, sliding double glazed patio doors allowing access to rear garden and views over the fields beyond.
- \* Separate dining room with window to rear and views, door to the kitchen/breakfast room which we believe could be opened into one large open plan space subject to building regulations approval where required. It also enjoys an aspect over the garden and fields beyond.
- \* Kitchen/breakfast room with built-in double oven, hob and integrated dishwasher, window to rear and door to the utility room which has plumbing for washing machine, space for tumble dryer, water softener, door and window to the rear garden.

\* Three ground floor bedrooms and a family bathroom.

\* Main bedroom suite on the first floor which has a window to the rear with lovely far reaching views over the adjoining countryside. The dressing area has built-in wardrobes and a door to the ensuite shower room which has a modern white suite including a walk-in shower, semi recessed wash hand basin and WC.

\* To the front of the property there is parking for several vehicles on a large driveway and a detached double garage which has power and light connected, window to rear, electric up and over door and personal door to the garden.

\* The rear garden which, as mentioned above, is south facing and adjoins the fields. It has a paved patio, artificial lawn, well stocked beds and borders, vegetable and soft fruit beds. There are paths to both sides of the property and to one side there is a paved area with further well stocked borders.

## Services

All mains services are connected. The wall mounted gas fired boiler is located in a cupboard in the hall.

\* Gas central heating, double glazing and solar panels.

## Local Authority

West Northants District Council. Council tax band F.
