This beautifully refurbished three bedroom period property seamlessly blends timeless Victorian architecture with high end modern finishes. Arranged thoughtfully over three storeys, this exceptional home offers spacious living areas, a private terrace, a large, mature garden, and a convenient basement.

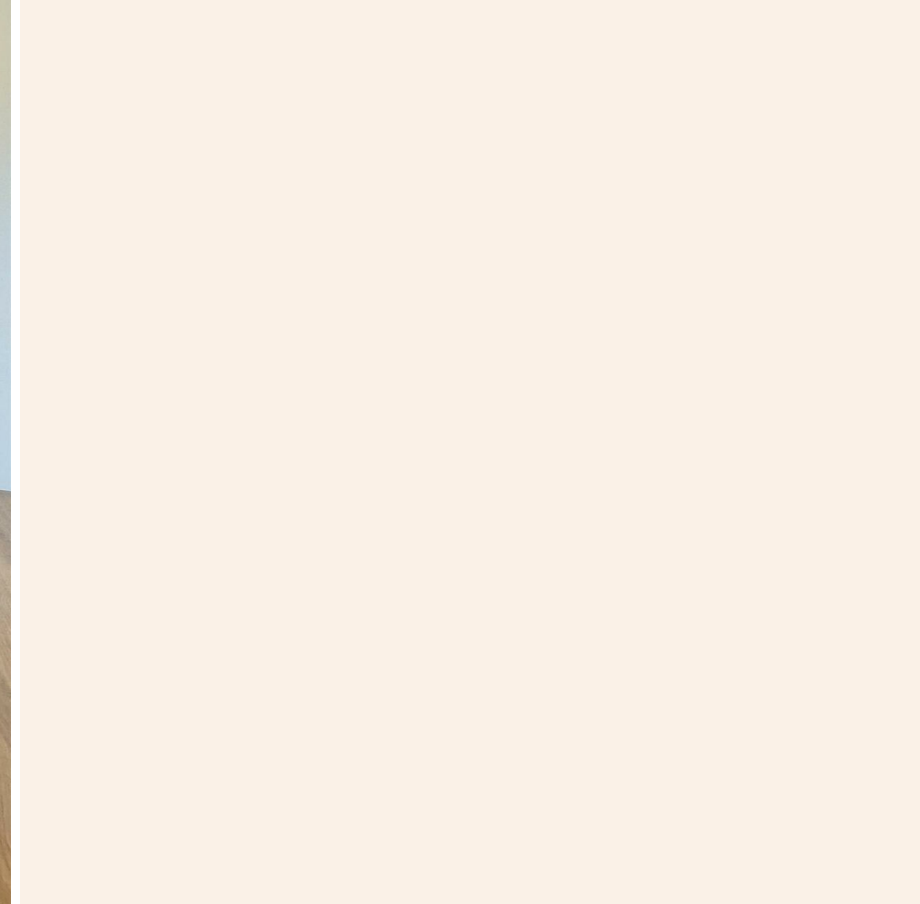

On the ground floor, a welcoming entrance hall leads into a bright front lounge featuring a bay window, plush charcoal carpet, and a decorative period fireplace. Beyond lies an open-plan dining room with stylish oak-effect herringbone flooring and French doors opening onto a private elevated rear balcony overlooking the garden. The adjacent newly fitted modern kitchen features shaker-style cabinets, wood-effect countertops, an integrated fridge/freezer, double oven, electric hob, and picturesque garden views.

A real standout is the lower ground floor, offering a cellar with a dedicated utility room. From the cellar French doors lead out to covered access straight out into the rear enclosed garden. The garden features a central lawn surrounded by mature trees and greenery.

Upstairs, the first floor hosts three freshly carpeted bedrooms, including a generous primary bedroom with a potential walk-in wardrobe space or dressing room. The second is a spacious double bedroom, with the third room and ideal single bedroom. The upper floor is completed by a large four-piece family bathroom, designed with a classic freestanding bathtub, a walk-in rainfall shower, stylish tiling, and striking patterned floor tiles.

Finished with fresh neutral décor, new flooring, gas central heating, and double glazing throughout, this property offers an outstanding standard of living in a sought-after location. Early viewing is highly recommended.
