**Whitebeam Park, Birkby
Huddersfield,**

Offers over £600,000

Standing at the head of the cul-de-sac is this most impressive five/six-bedroom detached family home. It has been substantially extended from its original design, with mature gardens and the rear of the home enjoying a westerly aspect, creating an afternoon sun trap. There is extensive parking on the driveway and a detached double garage. Only by an internal inspection can the amount of accommodation, position and privacy of the wrap around garden be truly appreciated. The accommodation comprises a large entrance hallway, downstairs WC, large living room with doors through to the conservatory, separate dining room, high specification dining kitchen with integrated German appliances, games/play room, utility and large home office/sixth ground floor double bedroom. On the first floor is a large galleried landing, five double bedrooms (two with en suites and four with built-in wardrobes) and house bathroom. The property benefits from a gas-fired central heating system, uPVC double-glazing and a security system. Externally, there is plenty of parking on the tarmac driveway and a detached double garage. The side of the property enjoys a southerly aspect and the large mature rear garden benefits from the afternoon sun, with various seating and patio areas, mature flower beds and shaped lawned gardens. The property is an ideal family home, perfect as a commuter base, and convenient for Lindley Village centre, local schooling and hospitals.

Entrance Hallway

An external composite door with an opaque glazed panel and uPVC windows to either side gives access to the entrance hallway. The wide hallway has a spindle staircase rising to the first floor accommodation, with useful storage beneath incorporating an automatic light. Of particular note is the oak style wood flooring with an inset matwell, along with the oak internal doors, which can be found throughout the property. There is coving to the ceiling and a radiator.

Downstairs WC

This room houses a two-piece white suite comprising a wall-mounted hand basin with tiled splashback and a low-level WC. It has a high-level opaque uPVC window.

Living Room

This very large principal reception room runs from front to back of the property and has a continuation of the wood flooring. There is a uPVC walk-in bay window to the front, enjoying a pleasant view down the cul-de-sac with Kirkheaton in the distance. The centrepiece of the room is a stylish fire surround with matching inlay and hearth, home to a living flame coal effect fire. There is plenty of room to accommodate furniture, a dado rail, various wall light points and two radiators. This room can also be accessed via the dining room. French style doors lead through to the conservatory.

Conservatory

This good-sized room enjoys a good amount of privacy and the afternoon sun, with the rear of the home having a westerly aspect. It has a high angled, insulated glazed roof,

uPVC glazing to all elevations and French doors leading out into the garden. There is laminate flooring and a radiator.

Dining Kitchen

The spacious dining kitchen is positioned at the rear of the property and is light and bright with two uPVC windows. It is presented to a high standard and was designed by a well regarded kitchen designer. The room has an extensive array of units to high and low levels, with granite worktops, matching upstands and a wide splashback to the hob. There is a one-and-a-half bowl stainless steel sink with a mixer tap and grooved draining area, and the granite worktops extend into both window sills. The Siemens hob incorporates a two-ring gas hob, a two-ring induction hob, a central BBQ grill. There is a wide illuminated canopy style filter hood above. The display shelving has pull-down metal shuttering, along with a pull-out larder unit. There is a Siemens double oven, the top oven incorporating a microwave with a warming drawer beneath, an integrated fridge freezer and dishwasher. Further appliances are freestanding within the utility. The room can easily accommodate a good-sized dining table, creating an open-plan eating and entertaining space. It has floor tiling and a radiator.

Dining Room

This formal dining room is positioned at the rear of the property and has a uPVC walk-in bay window overlooking the garden. The room can be accessed from the dining kitchen and the living room. It has a continuation of the wood flooring, coving to the ceiling and a radiator.

Games/Play Room

This multipurpose room could be utilised as a games or play room, etc. It enjoys a pleasant dual aspect with uPVC side windows and rear uPVC French style doors leading onto the paved patio. It is accessed via the dining kitchen through an archway. The room is light and bright, and has laminate flooring and two radiators. An adjoining door leads through to the utility.

Utility

The utility has a worktop with drawers below, space and plumbing for an automatic washer and space for further appliances, such as a fridge, freezer and condensing dryer. Within this area is the boiler for the central heating system. There is a continuation of the laminate flooring, a radiator, a uPVC window to the front elevation and a side uPVC and glazed door.
