£440,000

Occupying a generous corner plot within the exclusive Scawthon Gardens development, Plot 4 is a high-specification three bedroom detached bungalow with a double garage, large driveway and attractive outlook over the pond area. The developer has focused on delivering a quality finish throughout, combining stylish presentation with modern energy-efficient living. A large entrance hall with fully tiled flooring leads through into the impressive open plan living kitchen diner, which offers space for both seating and dining and features Bi-fold doors opening onto the rear patio and garden. The separate lounge enjoys views towards the pond, while the kitchen is fitted with quality units, Quartz worktops, a sunken double sink and integrated appliances including Samsung double ovens, induction hob, dishwasher and fridge freezer. There are three bedrooms, with the principal bedroom benefiting from a fully tiled en-suite, while the main bathroom is also fully tiled. The property also features underfloor heating throughout, high-quality carpets and TV points to all bedrooms, the lounge and kitchen. Built with efficiency in mind, the bungalow includes an air-source heat pump, solar panels, battery storage, HVAC system and EV charging point, all helping to reduce energy use and keep running costs as low as possible. There is also the potential for surplus electricity to be sold back to the grid, adding further long term appeal. Combining a high standard of finish, spacious accommodation and impressive Eco credentials, Plot 4 offers a superb opportunity for buyers seeking a modern bungalow in an attractive village edge setting. Viewing is highly recommended to fully appreciate the space, setting and quality of home on offer.

LOCATION

Sturton by Stow is a popular Lincolnshire village offering countryside living with convenient access to nearby towns. Located around 9 miles from Lincoln and 8 miles from Gainsborough, it provides a peaceful setting while remaining close to everyday amenities. The village sits on the A1500 with good road links and is served by the Interconnect 100 bus route between Lincoln, Gainsborough and Scunthorpe. Sturton by Stow Primary School serves the village, with further schooling available in Lincoln.

ENERGY EFFICIENT BY DESIGN

The homes at Scawthon Gardens have been built to help keep running costs as low as possible. Each bungalow features an air-source heat pump, solar panels, battery storage, underfloor heating, HVAC system and EV charging point, combining modern technology with everyday comfort. Solar panels generate electricity, battery storage helps maximise the energy produced, and there is also the potential for surplus power to be sold back to the grid. The air-source heat pump and underfloor heating provide efficient, even warmth, while the HVAC system supports fresh airflow and a comfortable internal environment throughout the year. With anticipated A-rated EPCs, Scawthon Gardens offers buyers an efficient modern home designed to reduce energy use and keep bills down.
