

Brighton Road, Redhill

£1,100 Per Month

“

A great option for a single professional or couple looking for a simple, well-connected home with the bonus of parking and everything Redhill has to offer close at hand.

”

Set on the ground floor of The Firs, this one-bedroom apartment makes clever use of its space, with the living accommodation and bedroom kept nicely separate rather than squeezed into an open-plan layout.

The living room sits at the centre of the flat and offers enough room to create distinct lounging and dining areas. A wide window brings plenty of daylight into the room, while the simple neutral finish makes it an easy space to put your own stamp on.

Alongside is a separate kitchen, fitted with a range of units and worktop space, with a window above the sink bringing in welcome natural light. Keeping the kitchen away from the main living room is a particularly useful feature for an apartment of this size.

The bedroom is a comfortable double, again finished neutrally, while the bathroom is fitted with a white suite and shower over the bath.

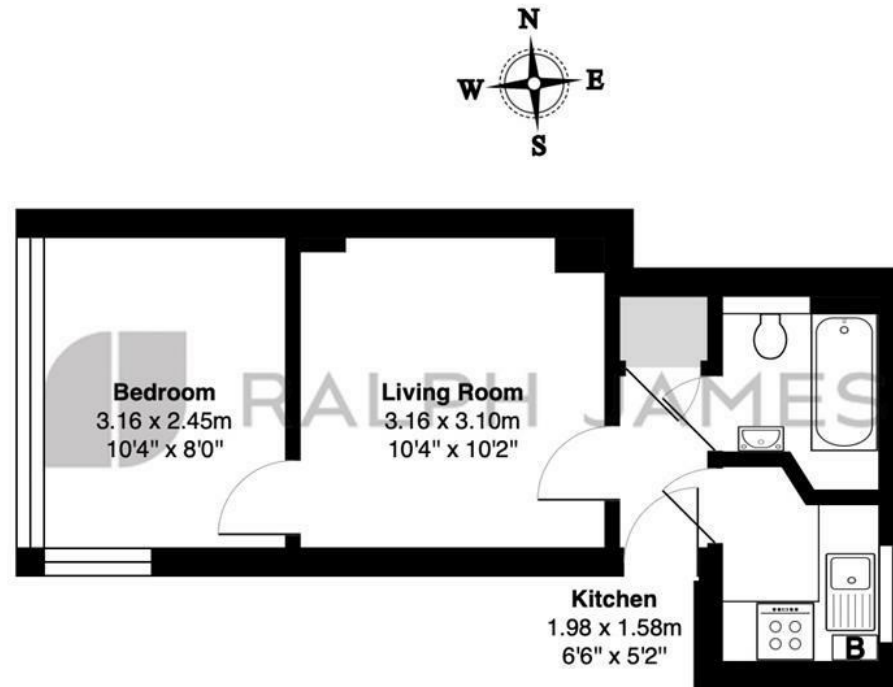

Outside, the development benefits from parking, something that adds real practicality to the property, particularly for anyone needing quick access to Redhill, Reigate or the wider road network.

With approximately 290 sq ft of accommodation, this isn't a flat trying to be something it isn't. Instead, it's a well-planned, easy-to-maintain home with separate rooms, good natural light and the everyday convenience of a central Redhill position.
