The main house internally comprises an entrance with cloakroom, breakfast kitchen, lounge, garden room, utility, dining room, sun room, study and a bathroom to the ground floor. The annexe includes a utility room, open plan lounge/diner, kitchen, bathroom and a bedroom with a balcony. Below has its own independent garage with doorway access to the further three garages. All mains services are available. Central heating is oil fired. The property has 3 Phase Electric plus two independent phone lines.

Eagle Moor is a hamlet outside Eagle village well positioned to offer excellent access to the A46 bypass into the city of Lincoln or Newark town plus a bus route including a service to the school.
