Accommodation

Internally, this home is beautifully laid out across four floors. It boasts stylish and seasonal decoration coupled with a comfortable feel throughout.

Lower Ground Floor

A surprisingly spacious cellar offering far more than the average storage area. Featuring a separate W.C., utility space, and even an original air raid Shelter, this level is light and welcoming thanks to a UPVC door with frosted glazing and an additional side window. In Cornerstone's opinion, this area functions more like a large hallway than a traditional cellar, offering superb storage for coats, shoes, and bikes, with easy access directly from the garden.

Ground Floor

The heart of this home is a bright and open-plan living space with a high ceiling, seamlessly combining a sitting, dining area, and a lovely kitchen with granite worktops. This inviting space is ideal for relaxing, entertaining, or enjoying an evening meal, with thoughtful finishes, a comfortable layout and a bespoke window seat.

First Floor

A well-proportioned landing leads to a generous double bedroom and a charming bathroom with a traditional roll top bath, both filled with natural light and character.

Second Floor

A standout feature is this vast second bedroom. With striking proportions and large double-glazed windows framing pleasant views, this space feels airy and versatile, suitable as a luxurious main bedroom, a stylish home office, or even a creative studio. This space currently combines all three.

Externally

The property benefits from a delightful garden, thoughtfully landscaped with a mature rose, colourful planted borders, and a dedicated seating area. This tranquil spot is perfect for morning coffees, evening drinks, or simply enjoying some outdoor space.

In Summary

This is a stylish and deceptively spacious home in a sought-after location brimming with amenities, excellent transport links, and green open spaces. With its attractive finish, charming garden, and a fantastic price point, this property is certain to generate strong interest.

Cornerstone highly recommends a viewing to fully appreciate the space, style, and convenience that is on offer.
