Knowle Avenue, Blackpool

For Sale by Online Auction with a Starting Bid of £240,000. Terms and Conditions Apply. See WebbMove for all the Auction Details.

A rare opportunity for investors to acquire a substantial freehold block of six apartments with two garages, extending to almost 3,000 sq. ft., in the highly regarded coastal suburb of Bispham. Situated just moments from Queen's Promenade, the property occupies a sought-after position close to the seafront, local amenities, transport links and popular leisure facilities, making it an attractive and sustainable rental location.

The block comprises a mix of one studio apartment, four one-bedroom apartments and a spacious three-bedroom ground floor apartment. All six apartments and both garages are fully let, providing immediate income from day one and removing any initial letting risk for the incoming purchaser.

The property currently generates approximately £33,400 per annum, producing an impressive 15% gross yield based on the starting price. Opportunities to acquire fully occupied multi-unit blocks at this level of return are increasingly rare, particularly in established coastal locations with strong tenant demand.

The current accommodation comprises a substantial three-bedroom ground floor apartment let at £606.67 PCM, together with four one-bedroom apartments currently producing rents of £390 PCM, £433 PCM, £420 PCM and £420 PCM respectively. The studio apartment is also let at £420 PCM, while the two garages generate a combined rental income of £173.33 PCM.

Bispham remains one of Blackpool's most desirable residential areas, with Queen's Promenade providing attractive coastal walks, excellent tram connections and easy access to both Blackpool and Cleveleys. The area benefits from a strong local amenities offering, good transport connectivity and sustained rental demand, making it a proven location for residential investment. The property is also well positioned to benefit from Blackpool's continued regeneration and investment programmes, which are helping to support long-term economic and property market growth across the town.

N.B. Photographs and virtual tour were taken last year (2025).

There is also an opportunity to acquire two additional apartment blocks on Northumberland Avenue. Purchasers interested in expanding their holdings may be able to acquire all three assets as a portfolio at a discounted rate. Please contact Steven in the sales team for further information.
