GROSVENOR PLACE WEYBRIDGE, KT13

ASKING PRICE: £780,000

Set within the gated Grosvenor Place development on Vale Road, this attractive townhouse offers flexible accommodation arranged over three floors, with off-street parking, an integral garage and a private rear garden.

The ground floor currently provides a garage, utility room and a further room overlooking the garden, offering excellent flexibility as a ground floor bedroom, home office, snug or dining space. There is also clear potential, as seen in neighbouring homes, to internalise the garage and create a large open-plan kitchen/dining room with direct access onto the garden, subject to the usual consents.

The first floor is the real heart of the home, with a beautifully presented dual-aspect open-plan kitchen, living and dining space. The kitchen has been finished to an excellent standard, while the fireplace and generous proportions give the room a warm and comfortable feel. Renewed windows further enhance the presentation and natural light throughout. On the top floor there are three bedrooms and a family bathroom, making the property well suited to families, downsizers or anyone looking for a secure, low-maintenance home in a convenient Weybridge location.

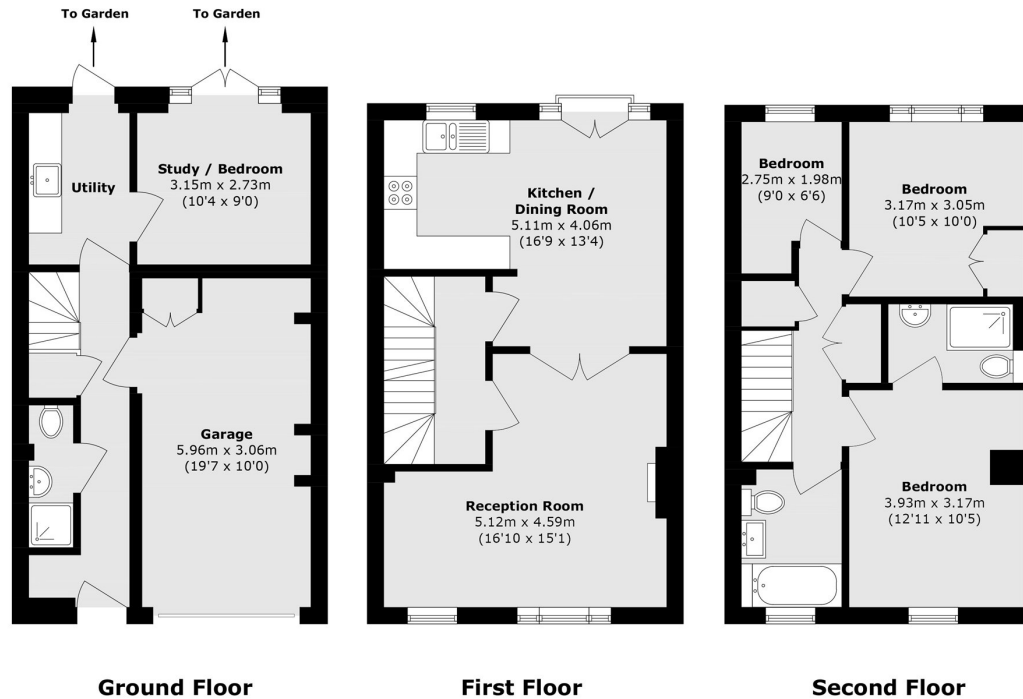

Vale Road is well placed for Weybridge High Street, local cafés, restaurants and shops, while Weybridge station, the River Thames, Otlands Village and a number of well-regarded schools are all within easy reach.
