4 Bedroom House - Semi-Detached located in Enfield

This attractive Edwardian semi-detached home offers generous and well-balanced accommodation, combining period charm with practical modern living. Arranged over two floors, the property features two spacious reception rooms. The front reception benefits from a working fireplace and character detailing, creating a warm and inviting living space. The back reception benefits from a working gas fireplace with access into the back garden onto a spacious patio area.

To the rear, the kitchen diner provides direct access to the garden. The ground floor also benefits from a convenient downstairs WC and shower.

There is a large natural grass garden with two patio levels and well maintained trees and evergreen shrubbery.

Upstairs, the property offers four well-sized bedrooms and a family bathroom with separate WC, all benefiting natural light and flexible accommodation suitable for families or professionals.

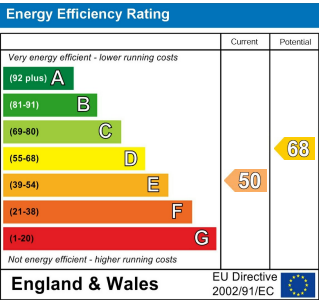

Externally, the property is further enhanced by a private driveway providing off-street parking for two cars. The house also offers excellent potential to extend and further enhance the accommodation, subject to the usual planning consents. Ideally located within walking distance of excellent transport links, the home is well positioned for access to local amenities, schools, and green spaces, making it a highly desirable family home.
