

Hillcrest Avenue, Fairfield, Stockton-On-Tees, TS18 5AF

A spacious three bedroom semi detached home set on a generous corner plot in the heart of Fairfield - ideally placed for local amenities, excellent schools, and close proximity to the beautiful Ropner Park. Offering a bright, well proportioned layout and superb outdoor space, this property presents an exciting opportunity to create a home tailored to your own taste.

The house enjoys a prominent corner position with gardens to the front, side and rear, giving a real sense of space. To the side of the property sits a detached garage and driveway, providing secure parking or additional storage.

The bay windowed accommodation is ready for updating and now offers an excellent opportunity to create your perfect home. At ground level there is an entrance hallway, a WC extension, two reception rooms and the kitchen. The side door leads to a sun room lean-to which will need upgrading to modern standards.

Upstairs, there are two double bedrooms with built in wardrobes, a single bedroom and a family bathroom. The layout is practical and family friendly, with excellent potential to refresh or extend (subject to correct planning), thanks to the size of the plot.

The location is a major advantage. The property falls within walking distance of Hartburn Primary School and Ian Ramsey CE Academy, both highly sought after, making this an appealing choice for families. Local shops, transport links and green spaces are all close by, with Ropner Park reachable in around 15 minutes on foot.

A fantastic opportunity in a desirable and well connected area.
