I highly recommend Buttercross Estates. Moving house as we know is a very stressful process. When an estate agent takes the time to contact you with updates and ensures your buyers are well informed then at least one half of the process is stress free. When you add in advice and a shoulder to cry on the service goes above and beyond. I would definitely use them again and I thank them for the care and attention through out. Well done all.

As first time buyers, we really appreciated the helpful and efficient service that Buttercross provided throughout our journey; from the ease of booking our first viewing; to the speed in which the keys were brought to us on completion day. We were even given a handy welcome hamper with food, drinks and vouchers, and a card - with a handpainted picture of our new home. We would recommend Buttercross - thank you!
