Internally, the property is finished to a very high standard and tastefully decorated with quality wood effect flooring and contemporary fixtures and fittings.

There is a large bright sitting room which opens up to a convenient dining area with patio doors opening onto the low maintenance south facing rear garden.

The recently painted kitchen is a real feature offering plenty of storage, eye level electric oven, electric hob, extractor fan, space and plumbing for a washing machine and dishwasher.

On the ground floor there is also a further reception room with wash basin which could very easily be used as a good size bedroom.

Upstairs the three bedrooms (two double bedrooms and one single) are beautifully presented offering brand new carpets and a new wash hand basin in two rooms. There is a newly fitted, family bathroom - a white suite comprising bath, shower over the bath, low level WC, pedestal wash hand basin and heated towel rail.

The garden is also a wonderful feature of this home with a generous lawned area to the front and a sunny south facing garden with patio and gate to the high street to the rear.

The property further benefits from plenty of storage, a long driveway and a garage nearby.
