63 The Avenue, Brighton, BN2 4GG

A spacious, semi-detached house overlooking a green to the front, with fields which lead to the South Downs to the rear. Extended at the rear, the property has been a long-term six-bedroom HMO but is being sold with vacant possession and would easily revert to a large family home. The accommodation consists of three bedrooms, bathroom and separate WC upstairs, with lounge (previously used as sixth bedroom), dining room, kitchen and shower room to the ground floor. There is a generously sized rear garden with outbuilding, a shared driveway to the side plus garage, and lawned front garden with potential for off-road parking. Ideal for those seeking a large family home or an investor looking for their next buy-to-let investment. Set within green surroundings with easy access to the South Downs, and within a short walk of the local train station and frequent buses with direct routes to the city centre. No onward chain.
