Description

Middle Upcott is an attached barn conversion in a desirable rural setting yet only two miles from the popular village of Chittlehampton. Of stone elevations under a slate roof, the conversion offers spacious accommodation with some fine features. Outside there is a very useful range of outbuildings including garaging, workshop and a purpose-built entertaining room with a balcony overlooking the gardens and pond. There is a handy holding of pasture and a former stable block that is currently used for storage.

Accommodation

The front door leads into an enclosed PORCH with a door then leading in to the DINING ROOM with an oak floor, ornamental fireplace and stairs to the first floor. Off the dining room is a KITCHEN/BREAKFAST ROOM fitted with a comprehensive range of cream shaker-style wall and base units beneath polished black granite work surfaces, incorporating a large central island with additional storage and breakfast bar seating. The kitchen features a range-style cooker with tiled splashback and exposed timber mantle, inset sink unit, slate flooring and space for American-style fridge/freezer.

Returning to the dining room, steps lead down to generously proportioned SITTING ROOM with exposed ceiling beams, recessed lighting and a contemporary wood-burning stove set on a slate hearth. The room enjoys an abundance of natural light from dual-aspect windows and two pairs of French doors opening onto the front and rear gardens. A secondary staircase also rises to the first floor. A door and steps lead down a lower HALL with a door to the outside and CLOAKROOM/UTILITY and a door into the STUDY/BEDROOM 4.

From the dining room stairs lead up to a spacious, GALLERIED LANDING with more than ample space for a desk or study space. There are THREE DOUBLE BEDROOMS served by TWO BATHROOMS with the master bedroom having a semi-vaulted ceiling. Both bathrooms are fitted with modern suites.

Outside

The property is approached through double timber five-bar gates with a lane leading down to the dwelling and outbuildings where there is plenty of parking for multiple vehicles. There are mainly lawned gardens to the front and rear of the conversion and further areas of lawn flanking the driveway. To the lower side of the entertaining barn is a wildlife pond.

There is a very useful range of OUTBUILDINGS including a tandem GARAGE/WORKSHOP with an open STORE ROOM to the side. Adjoining this is a timber-framed and partially completed BARN/STORE with much potential for a wide variety of uses including further accommodation or gym (subject to the necessary consents).

A superb purpose-built entertaining barn enjoying an idyllic setting with far-reaching views across the surrounding countryside. Constructed in a contemporary timber-clad style, the building features an extensive covered veranda and wraparound decking overlooking the landscaped gardens and wildlife pond, creating a fantastic space for outdoor entertaining and relaxation.

There is a purpose-built entertaining BARN/BAR/SUMMERHOUSE. The 'Watering Hole' has been thoughtfully arranged to provide a stylish entertaining area complete with fitted bar, ample seating and dining space, all enhanced by large glazed elevations that maximise the natural light and outlook. This unique leisure space offers exceptional versatility and is perfectly suited to hosting family gatherings or summer parties.

The Land

The property includes an attractive block of gently-sloping pasture land bordered by mature hedgebanks and mature trees. Fine, far-reaching views are enjoyed from the land. In the top corner of the paddock is a former STABLE YARD and timber framed former STABLES that have been remodelled to provide additional storage.

In total the property extends to just over 6 ACRES.
