The 'Harbour Retreat & Old Fishermans Store' is situated in the highly sought after location of St Peters Hill within very close proximity to the main Fore Street and water's edge. An ideal position for those wanting a central convenient base with all that the Brixham Harbour Bowl has to offer with its selection of shops, eateries and pubs. The property enjoys a lower position on the hill which gives the easier access from town whilst still benefitting from the town and sea views from the higher levels.

This stunning two-bedroom Fishermans loft enjoys a fantastic and super-sunny composite deck which takes advantage of its central location and boasts wonderful sea and inner-harbour views. A brand new state-of-the-art Worcester Bosch boiler (with Hive system) has also been installed. The property has a perfect combination of charming Brixham character, coupled with modern features suitable for 21st century living. There is a large open living space with a cosy wood burning-fire with hand-made bespoke fireplace, a smart modern kitchen with original brick features and a super family bathroom, also enjoying some original feature brickwork.

Below the property has a versatile and spacious store. This could easily be utilised as a workshop, a rentable store or even a totally separate 'AirBnB' with some creative architectural assistance! The store (with light and power, including new sockets etc) has level access from St Peters Hill and in this part of town is particularly unique.

Please note that there is an element of 'Flying Freehold' at the rear of the property. Internal viewing is highly recommended to appreciate all that this fantastic bolthole has to offer.
