This impressive four-bedroom detached family home is situated in the highly sought-after village of Bishopsteignton in South Devon. Offering spacious and well-appointed accommodation across two floors, the property combines modern living with practical design, making it ideal for families or those seeking additional workspace at home.

The Accommodation:

Upon entering, you are welcomed by a generous and inviting entrance hallway, setting the tone for the rest of the home. The ground floor benefits from attractive herringbone wooden flooring throughout, adding warmth and continuity to the living space. A dedicated office provides the perfect environment for home working or study. The living room is well-proportioned and features a gas fireplace (currently disconnected), offering potential for reinstatement as a focal point. Further to this is a downstairs WC with its own heated towel rail. The heart of the home is the spacious kitchen/diner, fitted with a high-quality Wren kitchen. This contemporary space includes a central island, quartz worktops, an induction hob, electric oven, and integrated dishwasher. There is ample room for dining and entertaining, with direct access to the garden. A separate utility room provides additional storage, separate sink and laundry space and offers internal access to the single garage.

Upstairs, the property offers four generously sized double bedrooms. The principal bedroom benefits from double fitted wardrobes and a large en-suite bathroom, complete with a walk-in shower, double sink unit and heated towel rail fitted with a summer switch. The remaining bedrooms are served by a stylish family bathroom featuring modern tiling, a walk-in shower, a freestanding roll-top bath and a heated towel rail with summer switch installed. Most rooms are fitted with dimmer spotlights, and the property has gas central heating and is fully double glazed.

Parking:

To the front the property enjoys a tarmac driveway for a couple of vehicles in-front of the garage and the property owns an additional space on the left-hand side as you enter the development.

Gardens:

The property sits within a large, reasonably level garden, predominantly laid to lawn and bordered by mature trees and shrubs, providing a good degree of privacy. A composite decking area and a newly installed patio extend from the kitchen, creating an ideal space for outdoor dining and relaxation. The garden currently has a couple of sheds situated to the sides of the garden and the property has full access around the property.
