PRICE £259,950

Situated within the highly sought-after Shide area of Newport, this attractive three-bedroom semi-detached home enjoys a convenient position within easy reach of the town centre, local amenities and well-regarded schools, while also benefiting from nearby countryside walks and the historic Carisbrooke Castle. The property offers well-proportioned accommodation including two reception rooms on the ground floor together with three bedrooms to the first floor, creating an ideal family layout with plenty of potential.

A particular feature of the home is the superb long rear garden — a fantastic outdoor space perfect for children, keen gardeners or those who simply enjoy spending time outside.

While the property would benefit from updating, it has just been re-carpeted and decorated, it presents an exciting opportunity for buyers to improve and create a home to their own taste and specification. Homes in this established and desirable location are always popular, particularly those offering such excellent scope and outdoor space. In summary, a characterful family home with huge potential, positioned within one of Newport's most desirable residential areas.
