FULHAM AREA GUIDE

Bishops Park

The 'Bishop's Park' area is located on the south west border of Fulham, ideal for Tube links from Putney Bridge. The proximity of Bishops Park, Fulham Palace, the River and Putney Bridge tube go some way to offsetting the slightly out-of-the-way feel, but then many who buy here do so for that very reason. There's a more laid back feeling in the air, and parking is easier than more central areas of Fulham.

Gardens here are generally much larger than the Fulham average, and the houses are big too (over 4,000 sq ft in some cases), making this area extremely popular with families. Prices have rocketed in recent years, especially on the southern streets, but you still get more for your money than in Parsons Green.
