Description

Step inside and you are welcomed by a bright entrance hall, setting the tone for the space beyond. To the left, a generously proportioned living room is bathed in natural light from two large windows, creating a wonderfully airy and inviting atmosphere ideal for both relaxing evenings and entertaining guests.

To the right, lies the kitchen diner, a true blank canvas awaiting your personal touch. Thoughtfully arranged in an L-shape, it offers ample countertop space along with slots for a cooker and other white goods. The kitchen also includes a substantial under-stairs storage area. The floor space is plentiful and allows a family sized dining table. The kitchen also features a useful nook, adjacent to the rear door which leads seamlessly into the conservatory- a delightful, social space filled with light and offering tranquil views over the lively garden. The conservatory also benefits from built-in storage, perfect for keeping outdoor equipment or everyday items neatly tucked away.

Upstairs, the property continues to impress. The landing provides access to two spacious double bedrooms, each offering plenty of room for furnishings. Bedroom two features built-in storage cleverly positioned over the stairs, maximising space and practicality. Both rooms highlight the home's flexibility and potential to suit a variety of lifestyles.

The family bathroom, located next to bedroom two, is fitted with a bath and coordinating suite. Like the kitchen, it presents an excellent opportunity for modernisation- inviting you to create a space tailored to your own style and needs.

Externally, the property benefits from off-road parking to the front, while to the rear you'll find a substantial garden—perfect for outdoor living, gardening, or future landscaping projects.

With a little imagination and care, this property offers a fantastic opportunity- whether as a rewarding investment or as the foundation for a beautifully personalised family home.
