Parkwood Road, TW7

We are delighted to bring to the market this exceptional double fronted six-bedroom semi-detached home, which has been comprehensively renovated and extended by the current owners to create a stunning, high-specification family home. Boasting a substantial double side extension and rear ground floor extension, the property offers a remarkable sense of space throughout. Every detail of the renovation has been finished to a high standard.

The ground floor features a welcoming reception room leading to a spacious open-plan kitchen, dining and family area, filled with natural light and opening onto the landscaped rear garden. A well appointed bedroom with en-suite shower room and a versatile office, which could also serve as a sixth bedroom, complete the ground floor. Upstairs are four generously sized bedrooms, including one with an en-suite, a modern family bathroom and three bedrooms with fitted wardrobes. There is also excellent potential to extend into the loft (STPP). Further benefits include a driveway for multiple cars with EV charging point, underfloor heating and Harvey's water softener.

Parkwood road is located in the desirable Northumberland area, with outstanding local schools, parks and amenities close by. Both Syon Lane train station and and Osterley tube station are nearby, offering convenient links in and out of central London. With easy access to the A4, the property is well connected to neighbouring areas such as Chiswick, Brentford and Kew.
