One Bedroom Flat | Red Bank Road, Bispham

A good-sized lounge, modern kitchen and a location that puts plenty of Bispham within walking distance - this one-bedroom flat on Red Bank Road is a great option for anyone looking for a comfortable, well-presented home.

Situated on the second floor, the flat has been refurbished relatively recently and still feels fresh and modern throughout. The lounge is particularly generous for a one-bedroom property, giving you plenty of room to create separate living and dining areas without everything feeling squeezed in. There's also a modern fitted kitchen, making this a practical home that's ready for its next tenant.

And the location?

Being on Red Bank Road means you're right in the heart of Bispham, with a great selection of independent shops, cafés, takeaways and everyday essentials practically on your doorstep. Whether you're grabbing a coffee, picking up a few bits or heading out for something to eat, there's plenty within walking distance.

Getting around is straightforward too. The nearest bus stops are just moments away on Red Bank Road and Beaufort Avenue, with further connections available via the local tram network.

And, of course, the promenade is within easy reach - particularly nice at this time of year with the Illuminations now switched on.
