DESCRIPTION & ACCOMMODATION

Since the owners purchased the property in July 2024, most the house has been modernised and improved to provide generous, well-flowing accommodation arranged over two floors. The heart of the home is a large, well-equipped kitchen and breakfast room with patio doors opening onto a raised deck with glass balustrading. There is a good sized sitting room featuring an inset wood-burning stove. From the kitchen is the large utility room, providing space and plumbing for a washing machine, tumble dryer and a freestanding dishwasher. Separate WC.

On the first floor are three double bedrooms and a family bathroom. Two bedrooms have been modernised, whilst the principal bedroom remains to be completed. This bedroom enjoys particularly appealing views across the Salcombe estuary towards West Charleton.

The garden has been thoughtfully landscaped to create an excellent terraced patio, with space for an outdoor kitchen, with timber cladding to provide a good degree of privacy. A door leads out to a rear passage, offering additional access into the town. There is additional storage beneath the utility room for garden machinery, along with a large garden shed positioned close to the driveway.

SERVICES & TENURE

Mains water, drainage, gas fired central heating. According to Ofcom, good mobile coverage and up to Ultrafast broadband is available. Freehold.
