1 Bathrooms

"What I've loved about living here is having so much close by. The harbourside is right there for sunset walks, lazy summer days and festivals, and there are loads of independent places nearby for coffee or food. Clifton, Brandon Hill and Southville are all close too, so there's always something to do and the area has a really friendly feel. Quay Point itself is tucked away from the busier parts, which gives it a really nice balance."
