Positioned in the Hertfordshire hamlet of Hare Street, this well-presented three-bedroom end-of-terrace home was built in 2020 and offers approximately 942 sq. ft. of modern, energy-efficient accommodation, with the remainder of the ICW warranty.

The ground floor is arranged around a contemporary kitchen and dining area with integrated appliances, providing a practical space for both everyday use and entertaining. This leads through to a bright living room overlooking the rear garden.

Upstairs are three well-proportioned bedrooms, including a principal bedroom with en-suite shower room, together with a modern family bathroom.

Outside, the property benefits from a west-facing rear garden, ideal for enjoying the afternoon and evening sun, along with allocated off-street parking for two vehicles. An air source heat pump provides an efficient heating system and contributes to lower energy usage.

Hare Street offers a semi-rural setting surrounded by countryside, while remaining conveniently placed for the A10, Buntingford High Street, local schools and everyday amenities.
