Our Vendor Loves...

"The private garden is a sun trap in the morning and our favourite spot to sit outside with a quiet coffee before the day gets started. The street itself is incredibly quiet and peaceful, and we love that we can easily wander over to the local parks or take a weekend walk through Dulwich and Sydenham Woods. We've been spoiled for choice with Kirkdale right on our doorstep. Grabbing a coffee from Mont58, popping into the independent shops, heading up to the Wood House or down in to Forest Hill for a drink are all things we have loved. On the practical side, having both Sydenham and Sydenham Hill stations nearby has made getting into central London incredibly fast and stress-free".
