GUIDE PRICE £1,250,000 - £1,300,000

Built in recent years, this impressive six-bedroom detached family home is arranged over three floors, with a substantial rear garden and an outstanding open-plan kitchen, dining and family space.

Combining a contemporary brick-and-render exterior with stylish, thoughtfully coordinated interiors, this spacious home provides a flexible layout for modern family life. A broad block-paved driveway offers generous off-road parking and access to the integral garage.

The welcoming entrance hall features a timber staircase with contrasting dark balustrades. To the front, a separate living room with a bay window and plantation shutters provides a comfortable retreat, while a dedicated study offers a practical space for working from home. A ground-floor cloakroom and separate utility room add everyday convenience.

At the heart of the house is the striking open-plan kitchen and dining area, which flows into an adjoining family room. Sleek contrasting cabinetry, a substantial island with breakfast seating, pale worktops and pendant lighting create a stylish focal point. Rooflights draw natural light into the room, while wide bi-folding doors open onto the rear terrace, connecting the house and garden..

The first floor provides four bedrooms, including a generous principal suite with a dressing area and en-suite facilities. A further en-suite bedroom and a separate shower room serve the remaining accommodation on this level. Two additional bedrooms occupy the second floor, offering flexibility for guests, older children or further workspace.

Outside, the extensive rear garden is a particular highlight. A broad paved terrace provides ample room for outdoor dining, with a large lawn stretching beyond, framed by established planting, hedging and mature trees. A covered seating area and space for children’s play equipment complement this attractive family setting.
