Available from August 2027 for the 2027/28 academic year, this spacious 6 double bedroom student house is ideally situated in a central and highly sought-after location, making it an excellent choice for a group of students looking for comfortable and convenient accommodation.

The property offers six well-proportioned double bedrooms, providing plenty of space for each tenant to have their own private room. The house also benefits from two bathrooms, helping to make shared living more practical and convenient for a larger student group.

At the heart of the property is a spacious kitchen/dining room, providing a great communal area for cooking, eating and socialising with housemates. The property also features a private garden, offering additional outdoor space and somewhere to relax during the warmer months.
