Jeynes Row, Tewkesbury, GL20

£260,000

🛏 2 🚿 1 🚗 2

Please Quote: RB1393-Ross Burbidge. A beautifully presented two-bedroom period home, arranged over three floors and combining character features with stylish, modern accommodation. Positioned within easy reach of Tewkesbury town centre, the property would make an excellent first home, investment or downsize.

The ground floor opens into a spacious kitchen and dining room, fitted with a range of attractive units, wooden work surfaces, integrated cooking appliances and space for further appliances. The open layout provides plenty of room for a dining table and creates a sociable space for everyday living and entertaining.

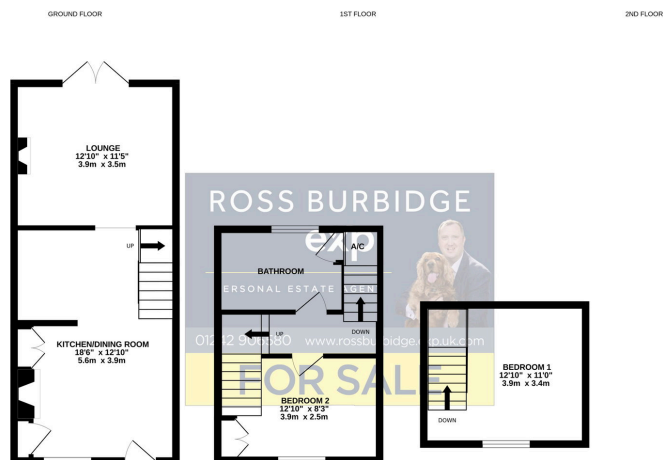

Beyond the kitchen is a welcoming lounge, featuring a fireplace with a feature fire and French doors opening directly onto the rear garden. The room is well proportioned, with a warm and comfortable feel while retaining a pleasant connection with the outside space.

On the first floor is a generous double bedroom alongside a stylish bathroom, fitted with a large walk-in shower and contemporary tiling. Stairs continue to the second floor, where the principal bedroom provides a private and characterful retreat beneath the roofline.

Outside, the rear garden has been thoughtfully arranged to create several seating and entertaining areas. A paved terrace immediately outside the lounge leads onto a longer garden with gravelled sections, mature planting and a further seating area, offering a good degree of privacy and a low-maintenance outdoor space.

With its versatile three-storey layout, attractive presentation and convenient location, this charming home is ready to move straight into.

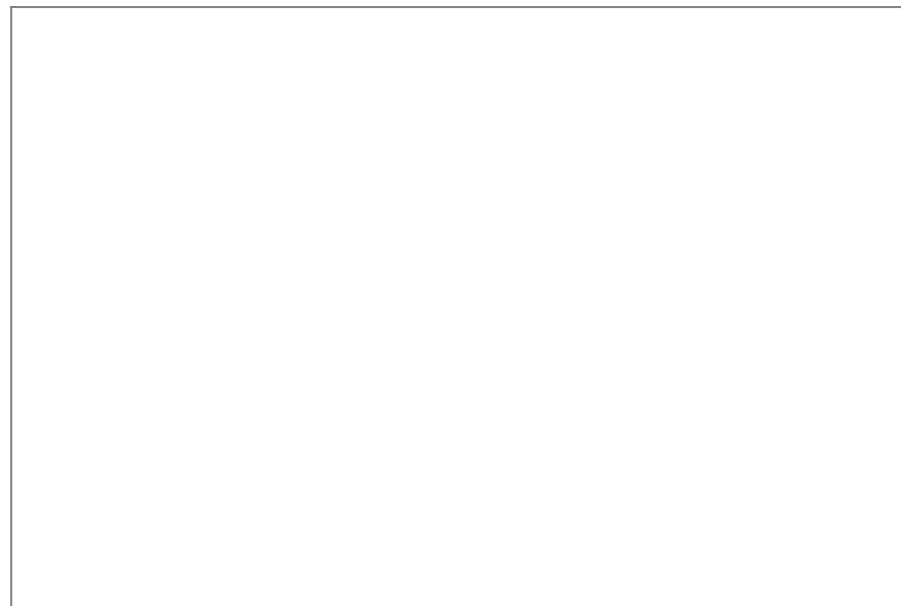

Whilst every attempt has been made to ensure the accuracy of the floorplans contained here, measurements of rooms, windows, doors and any other items are approximate and no responsibility is taken for any error, omission or mis-statement. This plan is for illustrative purposes only and should be used as such by any prospective purchaser. The services, options and appliances shown have not been tested and no guarantee as to their operability or efficiency can be given.
