Driveway Goals! Spacious Three-Bedroom Home with Parking for Around 13 Vehicles

If you've been searching for a family home with space both inside and out, then prepare to be impressed.

Occupying a generous plot along the popular Queenborough Road, this deceptively spacious three-bedroom semi-detached home offers something rarely found in today's market – a driveway so substantial it can comfortably accommodate around 13 vehicles. Whether you're a car enthusiast, have a motorhome, work vehicles, a growing family, or simply love entertaining, this is a feature that truly sets this home apart from the crowd.

Step inside and you'll find a welcoming entrance hall complete with a useful storage cupboard before moving through to the showpiece of the home – a magnificent 27ft lounge. Bathed in natural light from dual aspect windows and patio doors overlooking the garden, this impressive living space offers the perfect setting for both cosy evenings and family gatherings. At its heart sits a beautiful feature log burner, creating a warm and inviting atmosphere all year round.

The L-shaped kitchen/diner is perfectly designed for modern family life, offering plenty of workspace alongside an integrated dishwasher and electric hob. Whether it's busy weekday breakfasts or hosting friends at the weekend, this is a space designed to bring people together.

Upstairs, the principal bedroom delivers a touch of luxury with its own en-suite bathroom featuring a stunning freestanding bath – the perfect place to unwind after a long day. Bedroom two benefits from a deep built-in storage cupboard, whilst bedroom three enjoys fitted wardrobes, ensuring practical storage throughout. A stylish shower room with WC, wash hand basin and heated towel rail serves the remaining bedrooms.

The improvements continue with a recently installed combi boiler (2025) complete with a 10-year warranty, whilst the loft benefits from a fitted ladder and is approximately 90% boarded, providing fantastic additional storage space.

Outside, the rear garden offers even more versatility. The summer house, complete with power and a recently renewed felt roof, would make an ideal home office, gym, hobby room or entertaining space. There is also a useful metal shed and garage for further storage.

For commuters, Southminster Railway Station is just 0.5 miles away, whilst local amenities, schools and countryside walks are all within easy reach.

Homes with this level of parking, versatile accommodation and lifestyle appeal are incredibly rare to the market. Early viewing is strongly advised.
