The Street Ash, Canterbury, CT3 2EW

Guide Price £200,000

Freehold

Situated along The Street in the heart of Ash, this charming end terrace period cottage is offered to the market chain free and presents an excellent opportunity for buyers seeking a character home with scope to improve and add value. The property retains a number of attractive original features and benefits from a modern heating system, while requiring updating throughout, making it an ideal blank canvas for personalisation and refurbishment.

The ground floor accommodation opens directly from the street into a characterful living room featuring an exposed brick fireplace as a focal point. To the rear, the kitchen offers ceiling beams and built in storage, with a stable door providing direct access to the courtyard garden and allowing for natural light and ventilation. The layout provides a practical flow and strong potential for reconfiguration, subject to any necessary consents.

On the first floor are two bedrooms, including a well-proportioned double bedroom enjoying views over the churchyard and a second single bedroom suitable for use as a child's room or home office. These are served by a bathroom fitted with a three piece suite, which would benefit from modernisation to suit contemporary tastes.

Externally, the property enjoys a walled rear courtyard garden with patio area, offering a private and low maintenance outdoor space ideal for seating and potted planting. Located within this popular village setting, the cottage combines period charm with development potential and will appeal to purchasers looking for a character property in a convenient and well connected location.

Ash is a highly regarded village located between the historic towns of Canterbury and Sandwich, offering a peaceful and welcoming community. The village itself benefits from essential facilities including a primary school, village shop, pub and recreational spaces. For wider shopping, dining and cultural options, the cathedral city of Canterbury is within easy reach, providing an extensive range of shops, restaurants, theatres and mainline railway connections to London. Sandwich is also nearby. Surrounded by beautiful countryside, Ash combines village charm with practicality, making it an appealing location for home movers seeking a balance of community, convenience and rural tranquility.
